

Lane Neuroimaging Laboratory
MRI Research Application

Please include the following so that your application may be reviewed by the User's Committee.

For studies involving Human subjects:

1. Human Subjects Research Protocol
2. IRB approval letter
3. Approved Consent Form(s)
4. Documentation of Human Subjects Research Training (listing all personnel)
5. HIPAA authorization form(s)
6. Copy of grant that is providing funding for scans

For studies involving Animal subjects:

1. Approved Animal research protocol
2. Research Animal Resources Center Committee approval letter

Fee Policy:

MRI Scanning fee is \$500 per hour for all persons associated with the University of Wisconsin System and its associates. There is a minimum one hour charge for all scans. Additional time in the same session is billed in half hour increments.

A Radiology fee of \$50 is charged for all over reads.

You will be given a specific time slot(s). Our policy is that any time slot cancelled inside of a week before the specific time will be charged for the entire scan fee unless another investigator utilizes that scan time.

I have read and understand the above fee policy.
